

## **Frequently Asked Questions**

***PATRON FAMILIARISATION AND PARTICIPATION IN THE FOLLOWING INITIATIVES WILL GREATLY ASSIST IN PROMOTING A SAFER DAY OUT IN CROKE PARK STADIUM.***

**Q. I wish to meet people at Croke Park Hotel BEFORE the concert, is this possible?**

**A.** Unless you have a Hogan or Premium Stand ticket for the concert you will not be allowed access to Jones Road. You should arrange to meet your friend at a location away from Jones Road.

**Q. I want to meet my friend AFTER the concert on the street outside the Croke Park Hotel. Can I go and wait for them there?**

**A.** No. Where this area is being used as a meeting point, it causes unnecessary crowd congestion and affects pedestrian exits from the Hogan and Premium Stands. For safety reasons Jones Road must be kept exclusively for Hogan and Premium exits. You should arrange to meet your friend at a location away from Jones Road.

**Q. I will be leaving the stadium by Clonliffe Road. Can I go to the city centre direction by Jones Road?**

**A.** No. You will be directed to go to your destination by Lower Drumcondra Road.

**Q. I will be leaving the stadium by North Circular Road. I want to go to my car in Clonliffe College car park. Can I go to the car park by Jones Road?**

**A.** No. You will be directed to go to the car park by Lower Drumcondra Road.

**Q. Why can I not go by Jones Road?**

**A.** In large attendance or full stadium concerts, Jones Road is needed to facilitate crowds leaving the Hogan and Premium Stands and Pitch exits. For safety reasons it must be kept exclusively for this reason. When other patrons enter this area it results in crowd congestion and affects pedestrian safety.

Patrons leaving from all other areas of the stadium are asked not to enter Jones Road after the concert.

**Q. How long will the Jones Road closure remain in place.**
