## Re: Freedom of Information Request FOI-000240-2018 Request Refused

*Dear*

I refer to your request, dated 13<sup>th</sup> June, 2018 and received on 19<sup>th</sup> June, 2018 which you have made under the Freedom of Information Act 2014 (FOI Act) for records held by An Garda Síochána.

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency “*insofar as it relates to administrative records relating to human resources, or finance or procurement matters*”. Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request sought:

*Under Section 11 of the Mental Health Act 2001, there is an explicit statutory protocol for 'mandatory disclose of previous application for involuntary admission.'*

*Does this mandatory disclosure directive {Section 11} apply to every instance of involuntary admission, for all Gardai and attending general practitioners?*

*What is the precise nature of the legal sanction incurred for failing to comply with this statutory directive of mandatory disclosure?*

*Has this legal sanction ever been applied for failure to comply with this directive; and on how many previous occasions, from the inception of the Mental Health Act 2001 - to date?*

I wish to inform you that I have decided to refuse your request on 19<sup>th</sup> June, 2018.

The purpose of this letter is to explain my decision.

1

## **1. Findings, particulars and reasons for decision**

Section 6(2)(a) of the FOI Act provides that an entity specified in Schedule 1, Part 1 of the Act shall, subject to the provisions of that Part, be a public body for the purposes of the FOI Act. Schedule 1, Part 1 contains details of bodies that are partially included for the purposes of the FOI Act and also details of the certain specified records that are excluded. If the records sought come within the description of the exclusions of Part 1, then the FOI Act does not apply and no right of access exists.

Part 1(n) of Schedule 1 of the FOI Act provides that An Garda Síochána is not a public body for the purposes of the FOI Act other than in relation to administrative records relating to human resources, or finance or procurement matters.

The term “administrative records” is understood to mean records relating to the processes of running and managing a business or organisation. I am therefore refusing your request as it falls outside the scope of the FOI Act insofar as the records do not meet the criteria of administrative records as defined in the Act.

Section 11 of the FOI Act, which provides for a right of access to records held by FOI bodies. Requests for information are therefore not valid requests under the Act, as opposed to requests for records. FOI bodies are not required to create records under the Act if none exist and it does not oblige FOI bodies to answer general queries nor provide a mechanism for answering questions, except to the extent that a question can reasonably be inferred to be a request for records which contain the answer to the question asked or the information sought.
