Re: Freedom of Information Request FOI-000401-2018 Request Refused

Dear

I refer to your request, dated and received on 1st October, 2018 which you have made under the Freedom of Information Act 2014 (FOI Act) for records held by An Garda Síochána.

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency “*insofar as it relates to administrative records relating to human resources, or finance or procurement matters*”. Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request sought:

I am requesting that any information relating to the number of people who have reported to An Garda Síochána, to have been ‘spiked’ or unknowingly drugged through drugs or alcoholic substances put unknowingly into their drink by someone else, in the last 10 years.

In addition to that I am requesting information regarding the number of arrests that have been made by An Garda Síochána for drink spiking in the last 10 years.

I am also seeking to find the official term for ‘spiking’ according to An Garda Síochána.

I wish to inform you that I have decided to refuse your request on 2nd October, 2018.

The purpose of this letter is to explain my decision.

1. Findings, particulars and reasons for decision

Section 6(2)(a) of the FOI Act provides that an entity specified in Schedule 1, Part 1 of the Act shall, subject to the provisions of that Part, be a public body for the purposes of the FOI Act. Schedule 1, Part 1 contains details of bodies that are partially included for the purposes of the FOI Act and also details of the certain specified records that are excluded. If the records sought come within the description of the exclusions of Part 1, then the FOI Act does not apply and no right of access exists.

Part 1(n) of Schedule 1 of the FOI Act provides that An Garda Síochána is not a public body for the purposes of the FOI Act other than in relation to administrative records relating to human resources, or finance or procurement matters.

The term “administrative records” is understood to mean records relating to the processes of running and managing a business or organisation. I am therefore refusing your request as it falls outside the scope of the FOI Act insofar as the records do not meet the criteria of administrative records as defined in the Act.

2. Right of Appeal

In the event that you are not happy with this decision you may seek an Internal Review of the matter by writing to the address below and quoting reference number **FOI-000401-2018**.
