Re: Freedom of Information Request FOI-000233-2024 Request Granted

Dear

I refer to your request, dated and received on 1st July, 2024 which you have made under the Freedom of Information Act 2014 (FOI Act) for records held by An Garda Síochána.

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency "insofar as it relates to administrative records relating to human resources, or finance or procurement matters". Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request sought:

Will you supply me with the following information under the Freedom of Information Act 2014

- 1) A full list of events within DMR where Gardai were requested to police that the event. The amount that An Garda Síochána charged event organiser for policing their event. I'm looking for the information for the period of 1st June 2023 to 30th June 2024. I'm only looking for policing event where the policing costs were in excess of €1,500. To be further assistant what I mean as events eg Concerts, Sporting fixtures etc*

I wish to inform you that I have decided to grant your request on 12th July 2024. The purpose of this letter is to explain my decision.

1. Findings, particulars and reasons for decision

On receipt, your request was forwarded to the Finance Section of An Garda Síochána. The records provided, and attached herewith, have been abstracted from the Financial Management

1

Services system, which identifies the various organisations and amount of money charged by An Garda Síochána for the policing services at specific events in DMR in excess of €1,500.

Non-public duty is performed by members of An Garda Síochána under arrangements made with organisers of events such as football matches, concerts and race meetings, etc. who seek to engage the services of members of An Garda Síochána to perform duties to which they would not normally be assigned.

Members of An Garda Síochána have been made available for the performance of such duties and the State has charged for their services. This work is normally performed by members who would otherwise be off duty. It is generally the practice to charge organisations for the costs of duties performed by members inside the event. At all times, it is the policy of An Garda Síochána that the safety of the public must be the ultimate concern.

2. Right of Appeal

In the event that you are not happy with this decision you may seek an Internal Review of the matter by writing to the address below and quoting reference number **FOI-000233-2024**.
