Re: Freedom of Information Request FOI-000043-2018 Request Refused

Dea:

I refer to your request, dated 18th January, 2018 and received on 25th January, 2018 which you have made under the Freedom of Information Act 2014 (FOI Act) for records held by An Garda Síochána.

Part 1(n) of Schedule 1 of the FOI Act states that An Garda Síochána is listed as a partially included agency “*insofar as it relates to administrative records relating to human resources, or finance or procurement matters*”. Therefore, only administrative records that relate to human resources, finance or procurement shall be considered.

Your request sought:

- 1) Are there any rules/protocols about when and where traffic should be monitored on National Roads?*
- 2) Are there any specific advises given to Gardai about the speed of the chase and the monitoring process?*
- 3) Any advices or guidelines and procedures in relation to the use of motorcycles which have had their tyres changed shortly before going onto active duty?*

- 4) *Are there any guidelines in relation for when a motorcycle is put back into use after a service - either after the brakes being replaced or a replacement of the tyres?*
- 5) *Details of all complaints received from motorcyclists concerning the use of motorcycles for Traffic Corp duties on dual carriageways separated by high steel cable barriers.*
- 6) *Details of any advices given to members of the Traffic Corp when on active patrol duty in relation to travelling on sections of motorway or dual carriageway where the carriageway is separated by high tensile wire cable barriers.*
- 7) *Details of any Standard Operating Procedure issued to members for use on such roads in relation to the monitoring of traffic and follow up pursuit of motorists observed to have been speeding.*
- 8) *Details of all advices given to members of the Traffic Corp in relation to the bedding in of tyres on a motorcycle, and in particular, before going on active duty.*
- 9) *Details of all directives/advices given to members of Traffic Corp duties in relation to the checking of brakes after the brakes have been adjusted before going back on active patrol duty.*

I wish to inform you that I have decided to refuse your request on the 29th January, 2018.

The purpose of this letter is to explain my decision.

1. Findings, particulars and reasons for decision

Section 6(2)(a) of the FOI Act provides that an entity specified in Schedule 1, Part 1 of the Act shall, subject to the provisions of that Part, be a public body for the purposes of the FOI Act. Schedule 1, Part 1 contains details of bodies that are partially included for the purposes of the FOI Act and also details of the certain specified records that are excluded. If the records sought come within the description of the exclusions of Part 1, then the FOI Act does not apply and no right of access exists.

Part 1(n) of Schedule 1 of the FOI Act provides that An Garda Síochána is not a public body for the purposes of the FOI Act other than in relation to administrative records relating to human resources, or finance or procurement matters.

The term “administrative records” is understood to mean records relating to the processes of running and managing a business or organisation. As a result the FOI Act excludes operational policing business as opposed to the defined administrative processes of An Garda Síochána.

The records that you sought relate to operational policing matters carried out by An Garda Síochána, as opposed to administrative matters relating to human resources, or finance or procurement.

I am therefore refusing your request as it falls outside the scope of the FOI Act insofar as the records do not meet the criteria of administrative records as defined in the Act.
